North Park Rocket Football has built a Successful relationship with local businesses in the Greater Grand Rapids Area. These businesses have helped sponsor our league to offset the rising costs of equipment, enrollment fees, uniforms, etc. We all understand that when we give children and young adults the opportunity to start participating in a team sport many great things can happen. They have the chance to learn sportsmanship, team work, goal setting skills and a sense of local pride. The lasting benefits stay with our players throughout their life. This league, its coaches, our sponsors and teammates are truly difference makers.

A North Park Rocket Sponsorship helps achieve the following:

Just as we consistently look to expand our team players and we also look to expand our Team Sponsors.

North Park is not funded by booster support; we have to run our team by fundraisers, league fees and Team Sponsorship. We know with the current economy it has become tougher for families and our players to come up with the money to cover the rising costs of uniforms, equipment and league fee.

North Park has determined it is up to us and our local Team sponsors to insure that we raise enough funds to make sure that no player is denied the opportunity to play football.
